

**REMARKS**

In response to the restriction mailed January 17, 2006, Applicant elects Group I, claims 1-17 without traverse. Claims 18-20 have been canceled without prejudice to the filing of a divisional application covering the non-elected subject matter. Claims 7, 10, 13 and 16 have been amended and claim 3 has been withdrawn. Applicant further elects Species I shown in Figs. 1-5 without traverse. Applicant submits that claims 1, 2, and 4-17 are readable on the elected species. Applicant submits that claims 1, 2, and 4-17 are generic. It is believed that this represents a full response to the Examiner's restriction and election of species requirement. Applicant respectfully requests early and favorable examination on the merits.

Applicant does not believe that any fees are due in connection with this response. However, if such petition is due or any fees are necessary, the Commissioner may consider this to be a request for such and charge any necessary fees to deposit account 23-3000.

Respectfully submitted,

WOOD, HERRON & EVANS, L.L.P.
